I have reviewed and responded to comments received by Region 9, CRFLO, and Kurt. I wanted to share this marked up draft with you all because there a couple of comments (highlighted in yellow) that I wanted to bring to your attention. I did not respond to those because I do not necessarily feel like they are appropriate to have in the IP.

Lilian- I am scheduled for a call with Amy this morning and I will discuss the Agribusiness Development Corporation and reiterate the purpose of the call with Earthjustice on Tuesday.
